

An email was sent out on 13/8/06 to all players who made themselves available for national representation, specifically asking about availability for the Asian and Oceania Championships, as I am always aware of the possibility of changes to a player's situation. A second email was sent on 22/8/06 as a follow up for those people who did not reply to the first email.

<b>Player</b>	<b>Event in September</b>	<b>Availability for October</b>	<b>Comments</b>
